

Technical drawing of the BNC-6000 power supply unit, showing front, top, and side views with dimensions and connection details.

Front View Dimensions:

- Overall width: 243
- Overall height: 65
- Mounting hole diameter: $\varnothing 4,5$ (Pass.)
- Mounting hole spacing: 14, 7,5, 20,5, 30, 57
- Internal width: 182
- Internal height: 31,5

Top View Dimensions:

- Overall width: 210
- Mounting hole diameter: $\varnothing 4,5$ (Pass.) (2x)

Side View Dimensions:

- Overall height: 4,2
- Mounting hole diameter: $\varnothing 4,5$ (Pass.)

Internal Components and Connections:

- Chave Seletora de Tensão:** Voltage selector switch.
- Alimentação:** 110V/220V (Verificar Chave Seletora)
- Aterramento:** Ground connection.
- Saída: Negativo:** Negative output terminals.
- Saída: Positivo:** Positive output terminals.
- Ajuste de Tensão de Saída:** Output voltage adjustment potentiometer.
