**Cantina Antiga 1/87**

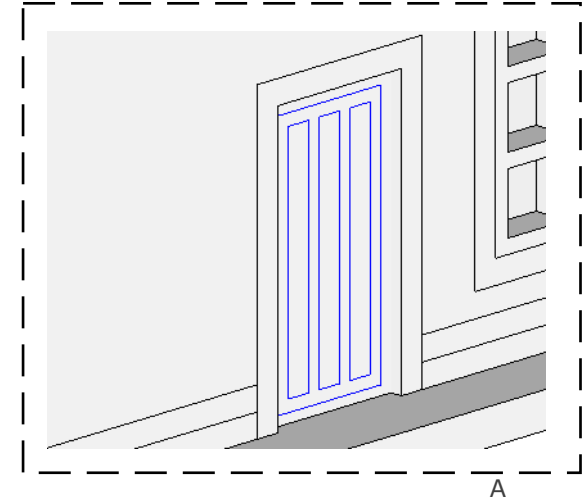

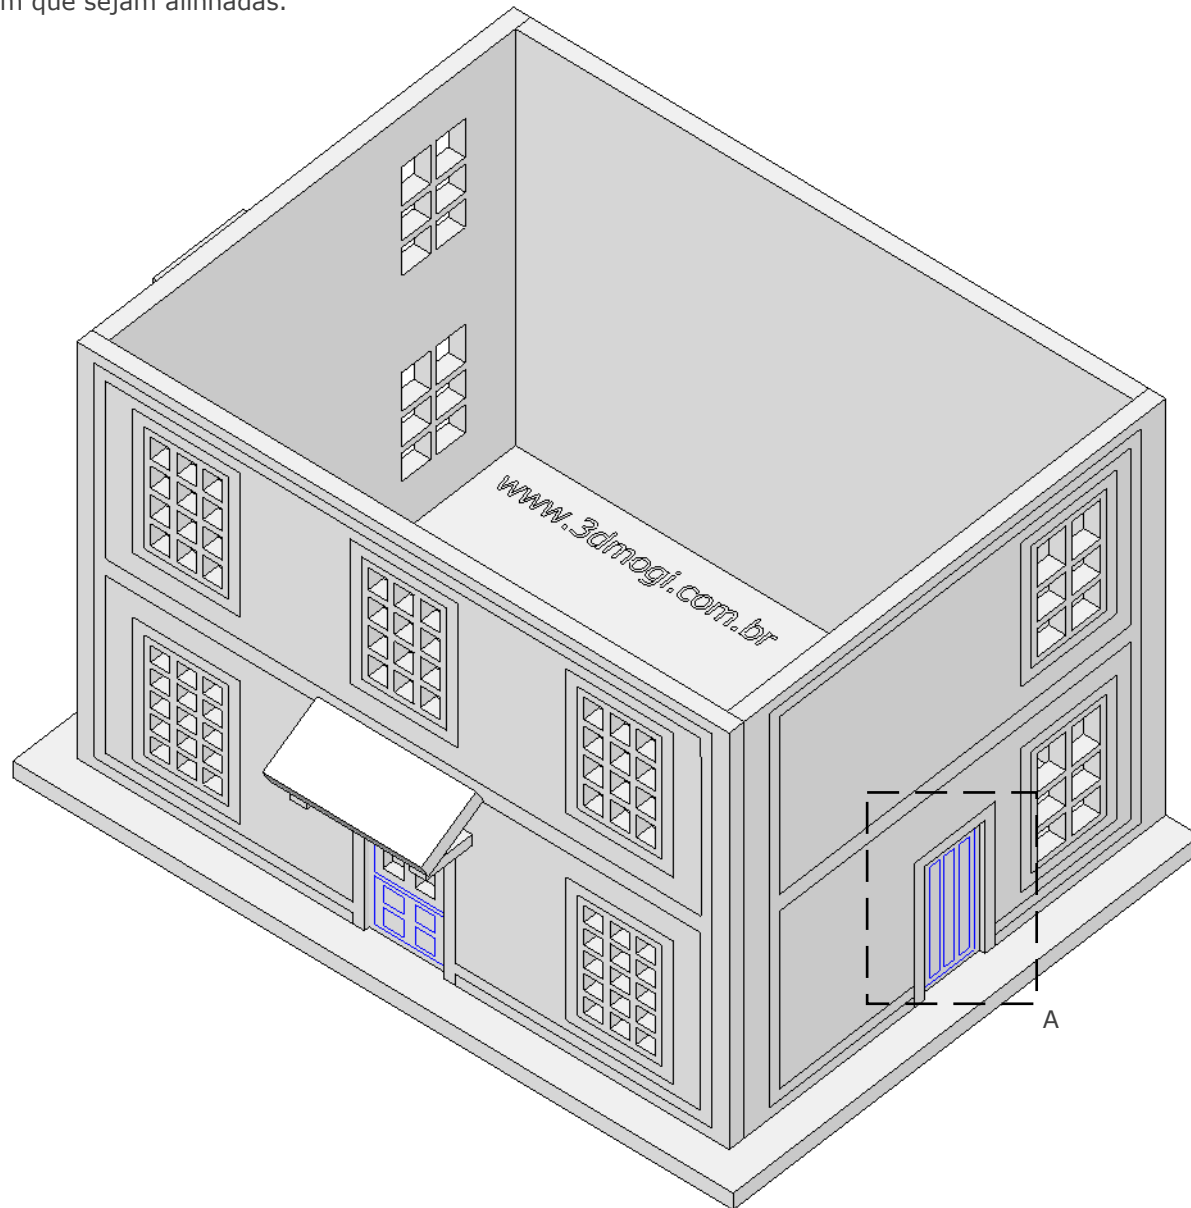

Vista Frontal

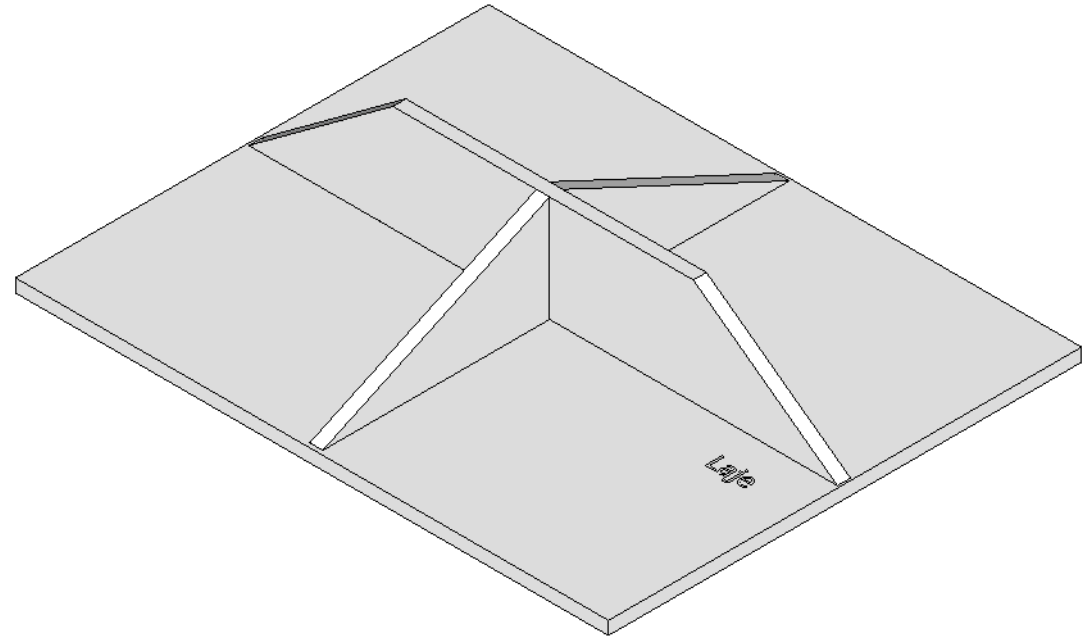

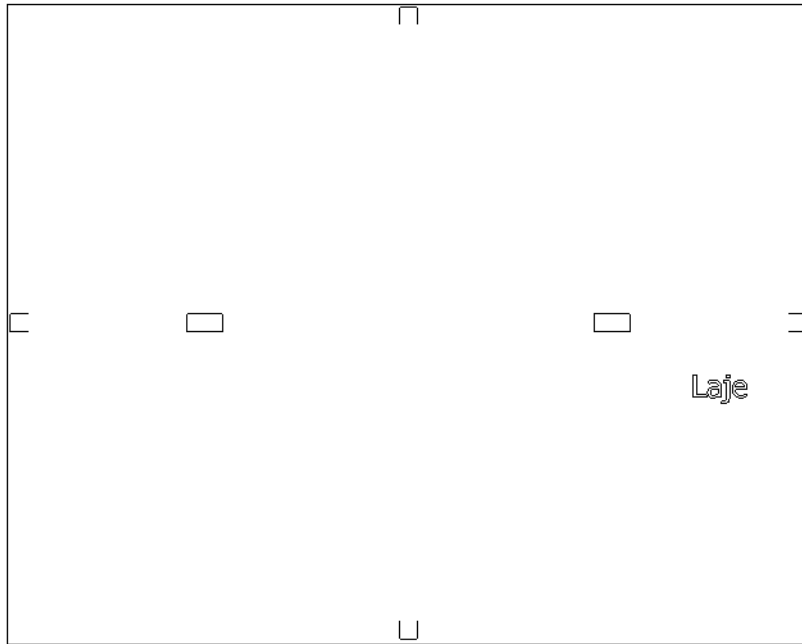

Vista Lateral

- a) Use cola para madeira
- b) Cole as portas nas respectivas paredes, antes de colar as paredes na base. Veja Detalhe A
- b) Cole duas paredes ao mesmo tempo, isto fará com que sejam alinhadas.

a) Cole as estruturas do telhado na Laje

a) Cole todo o telhado de uma só vez, para que todos possam se alinhar.
